Dear Fellow Briarders,

The 2017 BCA and NCB teams have been hard at work over the past year making plans for this year's Briard celebration. Yes, it is the regional and national Briard conformation show that forms the base for this gathering. But it is so much more that we strive to bring to you, our club members, that I find "celebration" to be a better description.

We greatly appreciate the effort you are making to join us in St. Charles, and we are delighted you plan to participate in the many activities we have planned. Among these activities are herding instinct test, carting clinic, Briard temperament test, seminars, obedience and rally trials, conformation shows and opportunities to relax and visit with old friends and make new ones.

Please join me in giving a hearty thank you to everyone who has supported our effort, be it through joining us with entries in the National and Regional events, through your generosity of time or donations, or by enjoying the wonderful fundraising merchandise we have offered over the past year. Your support, no matter how large or small, enables our team and our clubs to present successful events for you, our club members.

The 2017 Team hopes that you enjoy yourselves and wish you safe travels, success in your endeavors and wonderful memories.

Sincerely,

Peggi Weymouth Novak
