AKC Sanctioned 4 & Under 6 Months Puppy Competition  
Wednesday

One combined class, not divided by sex, will be offered for puppies that are at least four (4) months of age but less than six (6) months of age on the date of the competition. A foreign born dog may enter this class if they are registered in the country of origin. Best of Breed and Best of Opposite Sex to Best of Breed will be chosen. An AKC registration number or AKC litter number is required for entries. Dogs are required to be vaccinated (including rabies) in accordance with their veterinarian's protocol in order to avoid inadvertent transmission of illness by/to puppies not yet fully immunized.

Dogs that are owned or co-owned by a professional handler may compete in this class, but must be handled by a non-professional handler. Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years. Dogs may not be exhibited by current assistants or household members of a professional handler. A current assistant is defined as anyone employed by a professional handler on a full-time basis, or, assisting a professional handler at the show or any show during the cluster/weekend. AKC Rules in Dealing with Misconduct will be applicable to any person and dog entered at this competition. All applicable rules found in Rules Applying to Dog Shows will govern the conduct of this competition unless these regulations state otherwise.

Exhibitors should plan on opening the mouth of their puppy for the judges. Breed standard disqualifications such as color, height, weight or dentition shall not be a point of consideration in the judging process for this 4 & Under 6 Months Puppy in Show Competition.

**NO PUPPIES UNDER THE AGE OF SIX (6) MONTHS, EXCEPT THOSE PARTICIPATING IN THE 4-6 MONTH PUPPY COMPETITION, MAY BE ON THE GROUNDS.**

## AKC National Owner-Handled Series

The AKC National Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers. Exhibitors must declare their dog is Owner-Handled eligible at the time of entry on the entry form. Dogs entered in the Amateur-Owner-Handler class will automatically be marked as eligible to compete in the NOHS. Eligible dogs will be identified by an asterisk in the judge's book, steward's book & the catalog. **Dogs must be handled throughout the breed level competition for the regular show by an eligible owner. Professional handlers\*, household members and current assistants\*\* to professional handlers may not exhibit the dog in any NOHS competition during the entire show.** Owner-Handled Best of Breed will be selected from the dogs that are eligible to compete in the Best of Breed competition including Winners Dog, Winners Bitch and winners of the non-regular classes.

- If the Best of Breed/Variety winner is Owner-Handled competition eligible, it will automatically be Owner-Handled Best of Breed/Variety.
- If the Best of Breed/Variety winner is not eligible for Owner-Handled competition and the Best of Opposite Sex to Best of Breed/Variety is eligible, the Best of Opposite Sex to Best of Breed/Variety will compete against the eligible exhibits of the other sex to determine Owner-Handled Best of Breed/Variety.
- If neither the Best of Breed nor the Best of Opposite Sex to Best of Breed/Variety are Owner-Handled competition eligible and Select Dog & Select Bitch are both eligible, the judge is to choose Best Owner-Handled exhibit from the Selects and eligible Winners Dog or Winners Bitch.
- If one of the Selects is eligible, excuse all Champions and non-regular class winners of the same sex and then choose Best Owner-Handled exhibit from the remaining dogs of the opposite sex including the eligible Winners.
- If Best of Breed, Best of Opposite Sex to Best of Breed, Select Dog & Select Bitch are not eligible, the judge may choose any eligible dog remaining in the ring including Winners Dog or Winners Bitch as Owner-Handled Best of Breed/Variety.
- If the Best of Winners is eligible, the other Winner is ineligible since it was defeated.
- No class dogs other than the Winners Dog & Winners Bitch are eligible to return to the ring.

\*Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years. \*\*A current assistant is defined as anyone employed by a professional handler on a full-time basis, or assisting a professional handler at the show or any time during the cluster/weekend. Current assistants that are eligible to compete in Junior Showmanship (meet age & amateur status requirements) may participate in NOHS.

## YOU ARE INVITED TO THE ANNUAL PCA FOUNDATION SEMINAR

Tuesday, April 16, 2019

Founder's Room, Purina Farms Event Center ~ Gray Summit, Missouri

8:00 A.M. **Registration**

8:30 A.M. to 11:30 A.M. **Introduction and Research Updates** followed by keynote speaker Pat Hastings presenting **A GLIMPSE OF STRUCTURE IN ACTION: THE MAKINGS OF A DURABLE**

**The Poodle Club of America Foundation, Inc.**

**POODLE.** Anyone working with dogs must consider structure when making a dog with its job - hunting, agility, obedience or any of the other sports we enjoy with our Poodles. Our dogs will do anything we ask, even things they are structurally incapable of doing without breaking down. The more we learn about structure, the more we know what we can reasonable ask of them and the better decisions we can make in our breeding programs and in matching puppies with the right homes. Highly respected in the dog world, Pat Hastings has been involved with dogs since 1959 as a breeder, professional handler, educator, author and AKC judge. She has evaluated thousands of litters of puppies for structure and is dedicated to sharing her knowledge. Her PCAF seminar will focus on state-of-the-breed in Poodles.

1:00 PM. to 2:30 P.M. **STRUCTURE IN ACTION** continued, Service Center (by RV Campsites). Pat will evaluate structure of some adult Poodles who are performance prospects or who have sustained performance injuries.

Did you ever wonder if:

- Your Poodle has what it takes to participate in retrieving events?
- How to get started with retriever training?

**Come join us for a little fun! Here's your free opportunity to find out what it's all about in a very informal setting.**

Bring your dog in a flat buckle-type collar and your dog's favorite toy and see if training to be a retriever is for YOU! We'll supply the information and any other equipment such as long lines, birds (big and small), wings, bumpers, duck calls, etc. We'll start by outlining the basics of retriever training, move on to play retrieving with your dog and continue with an introduction to birds. Come watch Poodles at work on land in the morning, experience the basics of retriever training at mid-day and stay to watch Poodles tackle the water in the afternoon. What better way to spend the day with your best friend?? Be sure to bring a chair and water for your dog!

# AKC Code of Sportsmanship

*PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.*

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
